Agenda for discussion at the AGM

If there are any club rules etc. you think needs changing please write down what it is you are proposing and forward them to the club secretary for inclusion in the agenda for discussion and possible implementation at the AGM.

Eg. At the last AGM we discussed the need for a Vice President and as a result this was ratified and we now have a Vice President position within the club who is an emergency who can step into any role not filled or vacated so the club can continue to function.

1. So now you have an idea of what it is we could be asking for or putting forward as a discussion for implementation I would like to propose we amalgamate the roles of Secretary and Treasurer into one position, that of secretary and abolish the title of treasurer.

The reason being, most of the time these roles converge with one being dependant on the other for example when the members send their fees to the secretary they then need to pass these funds onto the treasurer to bank them. Same when the club receives a bill to be paid, it is rubber stamped by the Secretary for payment but paid by the Treasurer. If we have a Secretary in Victoria and a Treasurer in Queensland this all becomes a huge nightmare of paperwork being transferred from state to state.

I just think the whole process can be streamlined if we amalgamate the two positions into one, Secretary.

Now if I can get a seconder for this motion we can add it to the agenda for ratification.

seconded by John Chambers
